Superintendent's Office

Mr. James Dean has just completed his twenty-first year in the field of education as he served his fifth year as Superintendent of the North Baltimore School System.

Mr. Dean's educational background includes graduation from Miami (Ohio) University, a Master's Degree in Education from Bowling Green State University, and additional graduate hours at B. G.

Mr. Dean chats with some interested parents on a visitation night early in the school year.

ABOVE - Mr. Dean addresses the juniors and seniors on their responsibilities during Prom Week. LEFT - Mrs. Margret Bibler finished her fourth year as secretary to the Superintendent.

Mrs. Nancy Rush has served two years as clerk of the Board of Education. Mrs. Rush brought several years of office experience with her to serve the school system.

Principals' Offices

Mr. Larry C. Gingrich

Mr. Gingrich just finished his second year as principal of the high school. He earned his A.B. from Bluffton and a Master's Degree in Education from Indiana University. He also did some work at American Univ. in Washington, D.C. He has eleven years of educational experience to help him with his duties.

The camera caught Mr. Gingrich as he entered his office at the usual early hour to begin another busy day.

Mrs. Catherine Smith, high school principal's secretary, completed her third year of handling the records in the high school office.

Mr. William Detamore

Mr. Detamore is the elementary principal and general co-ordinator of the elementary which involves working among the three buildings in the system. He is aided by his twenty-two year background of handling educational problems.

He has a Bachelor of Music Degree from Otterbein, and he has done graduate work at Wayne State Univ. and B.G.S.U.

There was no picture available for Mrs. Dolores Bucher, Mr. Detamore's secretary.

Board Of Education

The North Baltimore Local Schools' Board of Education is caught in a rather jovial mood at one of their regular meetings early last year. The board members are usually much more serious as they handle the administrative, policy-making program of the school system in their monthly meetings. The Board members (from left to right) are Bill Ankney, Bob Van Horn, the Rev. Duane Johnson (the president of the Board), Harold Crouse, and Mrs. Nancy Rush (clerk of the Board). Clarence Conine, the other Board member was absent when the picture was taken.

Mr. Dean answers some questions at a meeting of the North Baltimore Education Association.

Mr. Gingrich, principal and junior class advisor, answers some questions about prom decorations for a junior girl.
